Parents monthly Coffee with Executive Director

January 7th at 3:45pm

We will begin our second round of MAP testing the week of January 7th. We give students the MAP assessment to determine your child's instructional level and to measure academic growth throughout the school year, and from year to year in the areas of Reading and Math. Your child will take the tests on a computer in their classroom. We are truly excited to continue to offer an assessment that is completely aligned to the Common Core Standards <http://www.corestandards.org/> and that focuses on every child's individual growth and achievement. All of our students have worked really hard to get to this point and we want to encourage them to do their best! Expect more information in your child red communication folder.

THANKS TO ACADEMIA PARENT BOOSTER CLUB FOR THE AMAZING BAKE SALES. AND THANK YOU FOR ALL ACADEMIA PARENTS FOR THE DELICIOUS DONATIONS. WE LOVED IT!
