

### **Applications for Admission**

The open application period will begin on November 1<sup>st</sup> of each year, with an end date to align with the statewide Choice deadline of the 2<sup>nd</sup> Wednesday in January. The Academia Antonia Alonso will advertise the **open application period each year**. All applications received during the open application period shall be accepted for the lottery. Following the closing date for applications, a lottery will be conducted only if there are more applications received than 'seats available' for the affected grade levels.

All applications received prior to the deadline will be eligible to participate in the lottery, should one be needed. If oversubscribed at the end of the open application period, the Academia Antonia Alonso will publicize and hold a lottery in public, applying preferences as stated in school's charter and in accordance with state law. Applications received after the open application period will be placed at the end of the waiting list after the lottery has been concluded.

If not oversubscribed, the Academia Antonia Alonso will conditionally admit all students who apply within the open application period and will add additional students as applications are received in the order in which they are received.

Should a lottery be required, three groups of students will be afforded preference for admissions to Academia Antonia Alonso. As previously noted, 'seats available' or 'open positions' for enrollment will be determined by grade level openings and the approved maximum enrollment established in the school's charter.

When there are more applicants for grade level enrollment than 'seats available,' admissions preferences shall be applied in the following sequence:

1. Children of the School's Founders
2. Children of staff members employed on a permanent basis by the Academia Antonia Alonso for at least 30.0 hours per week during the school year
3. Children with siblings concurrently enrolled at the Academia Antonia Alonso

### **Children of the School's Founders**

Children, adopted children, and stepchildren shall receive preferential enrollment placement for 'open positions.'

### Children of Staff Members

Children, adopted children, and stepchildren of employees of the school (employed on a permanent basis by the Academia Antonia Alonso at least 30.0 hours per week) shall receive preferential enrollment placement for 'open positions.'

### Children with Siblings Concurrently Enrolled

Siblings of students enrolled at the Academia Antonia Alonso shall have preferential enrollment placement for 'open positions.'

The Academia Antonia Alonso shall recognize these relationships as valid under the sibling preference:

1. Any individual having the same parent or parents, either natural or adoptive.
2. Any individual who is a step-sibling and shares a common custody or legal residency arrangement, and who has a natural or adoptive parent at the same residence.

### Plan for Selecting Students

Prior to the first week in November each year, the school leader shall establish an estimated number of openings for the following school year. These estimates shall be determined based upon 'seats available' by grade level, according to capacity and staffing resources.

Following the enrollment capacity determination, the following shall occur:

- The open enrollment period is in alignment with the Choice application deadline of the 2<sup>nd</sup> Wednesday in January. Exact dates and times of the application period will be defined and published annually.
- Interested applicants shall submit a Delaware Standardized Application for Education Options using the online application portal operated and managed by the Data Service Center.
- If a grade level is not oversubscribed, all applicants will be accepted for admission and will be sent a letter of acceptance inviting them to register.
- Applications received after the open enrollment period will be handled on a first-come, first-served basis.

### Lottery

Academia Antonia Alonso will advertise the open application period for all grades in November of the year preceding enrollment. All completed applications received prior to the deadline will be included in the lottery process, if one is needed. Grade levels oversubscribed at the end of the open application period will be subject to a lottery for enrollment selection. Academia Antonia Alonso will publicize and hold such lotteries in public, applying preferences as stated in the school's charter, and allowed within state law.

Applications received after the open application period will be placed at the end of the waiting list after the lottery has concluded. If not oversubscribed, the Academia Antonia Alonso will

## ADMISSIONS POLICY

conditionally admit all students who apply within the open application period and will add additional students as applications are received in the order they are received.

The following categories of students may be exempt from the lottery in accordance with the above-referenced preference criteria:

1. Children of the School's Founders
2. Children of staff members employed on a permanent basis by the Academia Antonia Alonso for at least 30.0 hours per week during the school year
3. Children with siblings concurrently enrolled at the Academia Antonia Alonso

When a lottery is needed, it shall be public; the date and location will be advertised in advance. At that time, an objective community member having no ties to the Academia Antonia Alonso, or a representative from the Delaware Department of Education, along with members of the school's Board, shall be in attendance.

The lottery will be conducted for oversubscribed grade levels. Each application will be placed in a separate sealed envelope, by grade level, to be drawn from a box one at a time. As each envelope is drawn, each one shall be assigned a number, in rank order, which shall become the applicant's sequence ranking for enrollment. Further, these numbers shall be used to constitute the waiting list for oversubscribed grades. All activity of the lottery shall be recorded and witnessed. After the seats for a given grade level are filled via the lottery, the school will continue to draw names to establish a wait list of up to 25 names. If seats become available, after the lottery is completed, the wait list will be used to govern who is admitted to the school.

Parents of participating applicants will be sent letters of acceptance or non-acceptance following the conclusion of the lottery. Successful applicants will receive directions and deadlines relative for registration/enrollment. As required by state law, the Certification of Intent to Enroll must be signed by the parent/guardian prior to enrollment to ensure the understanding the student must remain enrolled at the school for one full year.
