

Academia Antonia Alonso Charter School

Family Commitment Letter

As a parent/legal guardian, I commit to:

- ❖ Ensure that my child will attend school every day. Students should be brought to school on time (BY 8:40AM) and picked up on time (BY 3:45PM) if the child is a car rider. Early dismissals should always be avoided.
- ❖ Help my child in developing literacy and content knowledge through participation in a rigorous curriculum developed in two languages by supporting and encouraging my child to do his or her best every day in school.
- ❖ Ensure my child will log on to Dream Box and Imagine Learning for a total of at least 45 minutes per computer program for a **total of at least 90 minutes a week at home**. In the immersion program, every minute is maximized for instruction, leaving little time for intervention and/or practice. We need your help at home to make sure immersion students stay on track with ELA and Math progress.
- ❖ Ensure to check my child communication folder on a daily basis.
- ❖ Attend parent conferences and support the school by actively participating in school activities.
- ❖ Cooperate and play a key role in the discipline of my child by communicating frequently & responding to school communications within 24hours.

Academia Antonia Alonso Teachers and Administrators commit to:

- ❖ Set high academic expectations which will engage all students in preparation for high school and college success. We will provide a world-class education that will stretch students to their highest potential and expose them to opportunities they would not have had access to otherwise.
- ❖ Engage parents in the learning process to ensure success for each student.
- ❖ Instruct both Spanish dominant and English dominant children in the same classroom since peers can serve as language models for the program.
- ❖ Prepare and deliver instruction in two languages in order to consistently challenge student learning and achievement.
- ❖ Provide cultural components to the program so that students have a unique learning experience. This will include study of different celebrations and customs.

We the undersigned, agree to commit and support my/our child in La Academia's Dual Language Program as outlined above.
